

Free 24/7 Adult Education Resources

Online Learning Website Overview

The Ohio Literacy Network has developed an eLearning website to provide adult learners, educators and tutors with a one-stop resource for learning and skills development that is available anywhere, anytime. This site features video and multi-media lessons, interactive exercises and skill-building resources for GED preparation, computer training, workplace and basic skills development.

Visit: www.ohioliteracynetwork.org. Take a tour of our user-friendly 24/7 education site today!
